★ Our SUPERSTARS of the month! ★

EVAN

We are so proud of Evan's achievements since fall program has restarted. Evan works so hard and maintains a positive and cheerful attitude, no matter the task he is assigned. Keep up the great work Evan!

MURTAZA

Murtaza continues to impress us with his consistent drive and effort, all year long. He works so incredibly hard every session, all while being a great friend and motivator. Great job Murtaza!

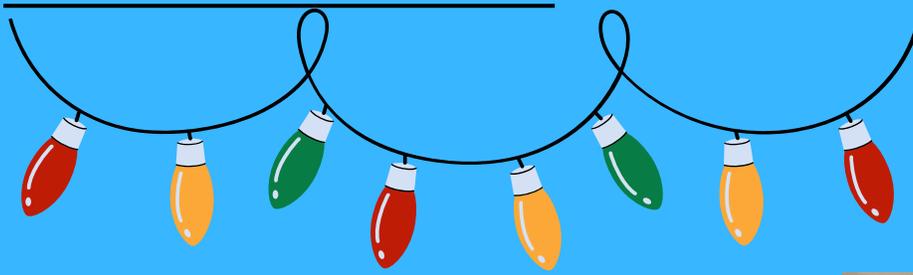

We wanted to say a huge thank you to Shaw and everyone who supported the Birdies 4 Kids fundraiser.

We are so proud to have raised over **\$60,000!!!**

This fundraiser was very successful, and the funds raised helped our program tremendously.

We look forward to participating again in the new year.

- Our program leader, Ancible, has also embarked on a masters program to become a conductor, which has been sponsored by FACE.
- We discussed upcoming fundraisers and a call for volunteers to assist with fundraisers and grant writing.
- Along with the AGM, we had musical therapy for the kids, a potluck, and a visit from Santa!

Upcoming Fundraisers

We are excited to be involved in a few fundraisers in the new year!

To assist with all of our upcoming fundraisers we are looking for volunteers to help with various tasks, such as grant writing and even a potential volunteer committee.

Along with Birdies 4 Kids, this year we will be involved in the Calgary Marathon, Growing Smiles, Coco Brooks fundraising, and a Spring Market.

We will have more information regarding each of these events available soon.
